

Scooter Share

PUBLIC
FORUM

**Wednesday,
October 30
6 - 8 PM**

Seattle City Hall,
Bertha Knight
Landes Room

On May 8, 2019, Mayor Durkan promised to “bring scooters to Seattle with a thoughtful, well-planned pilot.” Since that promise, SDOT has engaged in a robust public engagement process to help design a community-driven scooter share pilot for early spring 2020.

This public forum is open to all interested in learning from SDOT and prospective vendors about the upcoming scooter pilot. The forum will explore topics like safety, parking, accessibility, and national best practices. Attendees will have the opportunity to talk with scooter service providers and view their devices.

If you are in need of an interpreter or special accommodations, please submit your request to scootershare@seattle.gov by Wednesday, October 16.
